WOMEN'S ICE HOCKEY CLUB

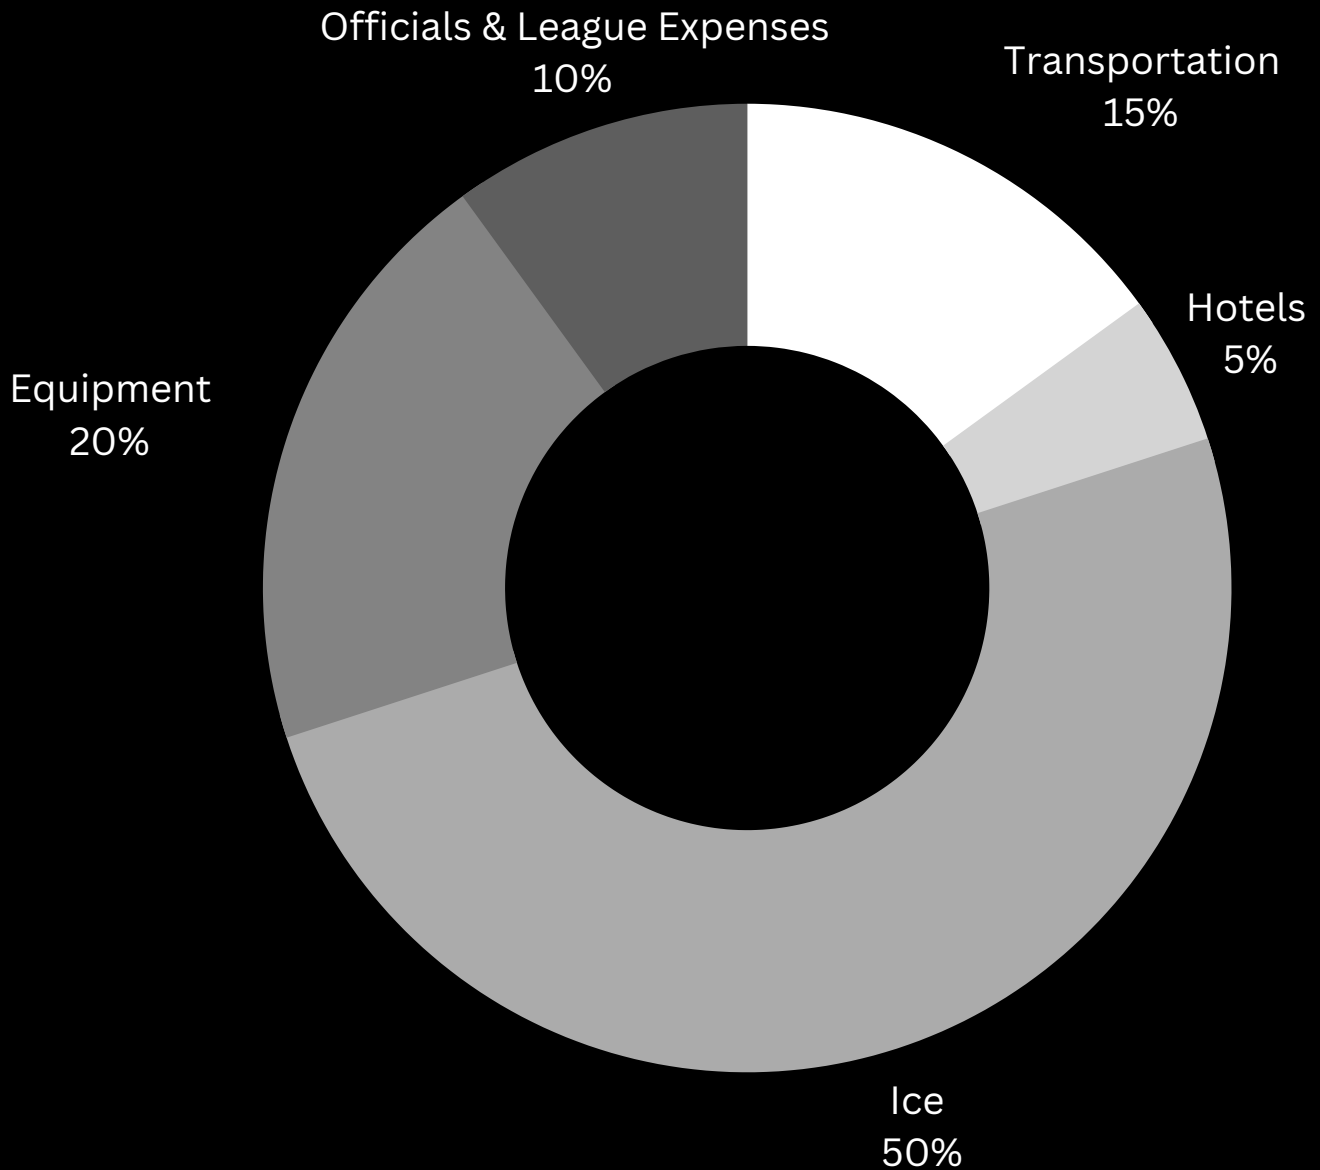

The University of Georgia Women's Ice Hockey Club was founded in 2021, and the team played its first game against the Auburn Women's Hockey Club on October 14th, 2022.

After a lot of stress, budgeting, paperwork, and coordinating, as well as help from countless other individuals, the University of Georgia Women's Hockey Club became a reality.

The University of Georgia attracts students from not just the United States, but internationally as well. The team strives to grow the sport of hockey in the southeastern United States by providing young women the opportunity to play hockey at the collegiate level. The dream, however, is beyond playing the game. UGA Women's Hockey Club hopes to create an encouraging and uplifting, yet competitive, environment that allows young women to realize their full potential.

Sponsors are a crucial aspect to the success of the UGA Women's Hockey Club. Without generous donors, the members of the Women's Hockey Club will be forced to pay exorbitant hockey costs, while already funding their own education. Travel expenses, ice time, equipment, referees, and numerous other costs accumulate throughout the season. Any sponsorship level is greatly appreciated and will have a significant impact on the program.

COSTS

This is a breakdown of our estimated costs, however additional expenses are accrued throughout the season
